# 9M'18 Earnings Presentation

# Disclaimer

Banco Santander, S.A. ("Santander") cautions that this presentation contains statements that constitute "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements may be identified by words such as "expect", "project", "anticipate", "should", "intend", "probability", "risk", "VaR", "RORAC", "RORWA", "TNAV", "target", "goal", "objective", "estimate", "future" and similar expressions. These forward-looking statements are found in various places throughout this presentation and include, without limitation, statements concerning our future business development and economic performance and our shareholder remuneration policy. While these forward-looking statements represent our judgment and future expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations. These factors include, but are not limited to: (1) general market, macro-economic, industry, governmental and regulatory trends; (2) movements in local and international securities markets, currency exchange rates and interest rates; (3) competitive pressures; (4) technological developments; and (5) changes in the financial position or credit worthiness of our customers, obligors and counterparties. Numerous factors, including those reflected in the Annual Report on Form 20-F filed with the Securities and Exchange Commission of the United States of America (the "SEC") –under "Key Information-Risk Factors"- and in the Documento de Registro de Acciones filed with the Spanish Securities Market Commission (the "CNMV") –under "Factores de Riesgo"- could affect the future results of Santander and could result in other results deviating materially from those in the forward-looking statements.

Forward-looking statements speak only as of the date of this presentation and are based on the knowledge, information available and views taken on such date; such knowledge, information and views may change at any time. Santander does not undertake any obligation to update or revise any forward-looking statement, whether as a result of new information, future events or otherwise.

The information contained in this presentation is subject to, and must be read in conjunction with, all other publicly available information, including, where relevant any fuller disclosure document published by Santander. Any person at any time acquiring securities must do so only on the basis of such person's own judgment as to the merits or the suitability of the securities for its purpose and only on such information as is contained in such public information having taken all such professional or other advice as it considers necessary or appropriate in the circumstances and not in reliance on the information contained in the presentation. No investment activity should be undertaken on the basis of the information contained in this presentation. In making this presentation available, Santander gives no advice and makes no recommendation to buy, sell or otherwise deal in shares in Santander or in any other securities or investments whatsoever.

Neither this presentation nor any of the information contained therein constitutes an offer to sell or the solicitation of an offer to buy any securities. No offering of securities shall be made in the United States except pursuant to registration under the U.S. Securities Act of 1933, as amended, or an exemption therefrom. Nothing contained in this presentation is intended to constitute an invitation or inducement to engage in investment activity for the purposes of the prohibition on financial promotion in the U.K. Financial Services and Markets Act 2000.

Note: Statements as to historical performance or financial accretion are not intended to mean that future performance, share price or future earnings (including earnings per share) for any period will necessarily match or exceed those of any prior year. Nothing in this presentation should be construed as a profit forecast.

The businesses included in each of our geographic segments and the accounting principles under which their results are presented here may differ from the included businesses and local applicable accounting principles of our public subsidiaries in such geographies. Accordingly, the results of operations and trends shown for our geographic segments may differ materially from those of such subsidiaries. In addition to the financial information prepared under International Financial Reporting Standards ("IFRS"), this presentation includes certain alternative performance measures as defined in the Guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415es) as well as Non-IFRS measures. The APMs and Non-IFRS Measures are performance measures that have been calculated using the financial information from the Santander Group but that are not defined or detailed in the applicable financial information framework and therefore have neither been audited nor are capable of being completely audited. These APMs and Non-IFRS Measures are been used to allow for a better understanding of the financial performance of the Santander Group but should be considered only as additional information and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Santander Group defines and calculates these APMs and Non-IFRS Measures used, including its definition or a reconciliation between any applicable management indicators and the financial data presented in the consolidated financial statements prepared under IFR, see Section 26 of the Documento de Registro de Acciones for Banco Santander filed with the CNMV on July 4, 2017 (available on the Web page of the CNMV -www.cnmv.es- and at Banco Santander -www.santander.com) and Item 3A of the Annual Report on Form 20-F for the year ended December 31, 2016, filed with the U.S. Securities and Exchange Commission on March 31, 2017 (the "Form 20-F"). Macroeconomic environment

# ...based on improved competitiveness and deleveraging

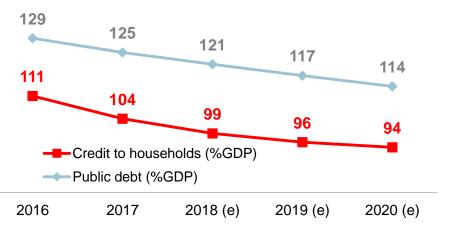

Investment dynamics (total economy)

Financial system: Loan and deposit evolution

# Loan growth is flattening

- High indebtedness is the main constraint for the private sector credit growth
- Banks continue "cleaning" their balance sheets from impaired assets

Deposits hovered around high levels, as households allocated resources into Government retail debt and corporates financed their investments with own funds

# Strategy and business

#### Our Franchise

# Santander Totta is the first privately owned bank in Portugal, by loans

Conclusion of the operational and technological integration of Banco Popular Portugal

Continue transformation of the Bank to simplify it, bring it closer to customers and make it more efficient

Continue gaining profitable market share

Improve efficiency and cost of credit

Effective tax rate	29.7%	21.9%		

Concluding remarks

# Improving business and results in the context of sustained economic growth

Market Environment & Financial System

> Strategy & Business

- Economic activity continued to evolve at a positive pace, led by exports and investment. GDP is expected to grow around 2% in 2018 and 2019
- The fiscal deficit narrowed to 0.7% of GDP in Q2'18, aligned with the annual target of 0.7%
- Loan dynamics continue to be affected by NPL management
- With the full integration of Banco Popular Portugal we will continue to focus on strengthening our position in the SME market, particularly small businesses
- Digital transformation continues at a fast pace with constant deliveries helped by investment through new agile culture
- Sound capital and liquidity base

Results

- Improving underlying profit, with better efficiency and low cost of credit
- Conclusion of Banco Popular integration (IT&OP integration concluded on 14 Oct.)
- Stabilisation of the loan book, considering the management of credit from Popular
